A Blue Ribbon School of Excellence

January 27, 2017

Dear Parents:

As principal of St. Dominic School, I am asking you to give serious consideration to this letter and the enclosures. We are very interested in helping you, as the primary educator of your child, to provide your child with a Catholic education at St. Dominic School. In partnership with you, the school staff and I would like to help you teach your child the values of Jesus Christ and developing their academic abilities.

If you are not acquainted with St. Dominic School, I invite you to call me and schedule a personal tour of our school so you can see on a first hand basis what you will come to realize is a great school in a very Catholic/Christian environment.

I am the first to agree that I am asking you to make a huge commitment regarding the education of your child. It is a commitment of time, energy, and financial resources; however, it is one which will help your child grow closer to Christ as he or she prepares for their future. Tuition is charged to attend St. Dominic School, but at a rate of less than \$17.00 per child per day it is a bargain one simply cannot pass up. If finances are a concern, but you really want your child to attend St. Dominic School, please get in touch with us. Tuition assistance is available to qualified parish members. St. Dominic School also participates in the Ohio EdChoice Scholarship program.

In addition to the enclosed information regarding St. Dominic School, there is a registration form provided for your convenience. Our Open Enrollment runs now through February 21, 2017. All you need to do is return the registration forms along with the per child non-refundable registration fee: \$100.00 Kindergarten through 8th grade, \$50.00 for half day kindergarten, by February 21, 2017 to ensure a space for your child. Please enclose copies of the documents listed below.

We have a lot to offer your children and your family. Please call so I can share more information with you, and please ask Our Lord to guide you in this important decision.

Yours in Education,

William S. Cavanaugh, Principal
