	2019-2020	2020-2021
Preschool	61	47
K-8	347	358

Total	408	405
-------	-----	-----

## 2. New Teachers/Staff for 2020-2021 School Year

- Mr. Josh Shortt - Technology Coordinator
- Mr. Mitch Ward - 8th Grade Religion, 8th/7th Grade English
- Mr. Brad Ohmer - 1st grade (Last school year Brad taught in our Preschool Program)
- Mr. Mike Williams - Preschool Teacher (Last school year Mike worked as an aide in our Preschool Program)
- Mrs. Amy Walter - Preschool Aide (Amy will also be on our substitute teacher list)
- Ms. Mia Roth - "Floater" in the Preschool.
- Mrs. Stephanie Sitzler - School's only secretary due to budget as well as streamlining the office to become more efficient

## 3. Program Change

Mrs. Teepen will be teaching Advanced Reading to 7th & 8th Grade this year instead of the Able Reader Program (K-3 grades) as well continuing to teach the Advanced Math Program for Grades 5-8.

- Reinstating Advanced Reading is part of the Strategic Plan
- Concerns raised about eliminating Able Reader program. Discussions are in process to add enrichment to Library specials.

## 4. Building/Outside Improvements

- Air Conditioning - Grades K-8 have window AC units installed in each classroom!!! Preschool and Auxiliary classroom air conditioning units have been ordered and we are waiting for them to arrive so they can be installed.
- Art Room - New chairs, tables, and bookcases have been ordered and are in the process of being set up in the Art Room. Also, new windows and blinds were installed as well.
- Three portable sinks were paid for by our PTO for the Preschool.
- All three Preschool rooms were repainted to a warmer/less stimulating color.
- The Men's Society laid sod down in the Preschool play area, put it into place, and smoothed it out a few weeks ago.
- The Men's Society donated drinks and snacks for the teachers and staff before school started. The teachers and staff were so appreciative!!!

## 5. Technology Update

- Staff received 6 hours of training regarding Google Classroom in the summer, taught by Sarah Keller. Josh Shortt reached out to her and she came for two 3

hour sessions that she tailored directly to the staff's needs regarding Google Classroom.

- i. Ongoing support available to teachers, may also make resources available to parents.
  - ii. Intent is for teachers in grades 3-8 to manage assignments, communication through Google Classroom.
- Twenty eight new computers are coming from Fuller for the Computer Lab. Mr. Shortt and Fuller are working out the details for delivery, installations, etc. The order for 200 computers were placed in July through auxiliary funds. Due to demand, the computers will not be arriving until January 2021.

#### 6. School Mass

- School is pursuing several options to resume mass while maintaining necessary distance.
- Considering a live stream, but encountered technical difficulties in preliminary testing efforts
- Concerns about 5th grade teachers showing popular movies in lieu of mass time. Commission recommends other devotional activity (e.g., rosary)
